

ALEXA, DO YOU LOVE ME? AI AND AUTHENTIC RELATIONSHIP

Noreen Herzfeld, PhD

**Nicholas and Bernice Reuter Professor of Science and Religion,
St. John's University and the College of St. Benedict**

FEBRUARY 28

7:00 PM-8:30 PM ET - ZOOM EVENT

We converse with increasingly intelligent programs such as Alexa and ChatGPT, but can we have a truly authentic relationship with them? What does it take to have such a relationship with another person, or with a non-human being such as a pet, an AI, or God? Can we love an AI and if we do, will it ever love us back?
